

# Help us design a climbing wall!

When we open the doors to the new Urmston Leisure Centre early next year we are really excited that we will be able to offer a brand new activity, with our exciting new clip and climb wall!

## Do you fancy yourself as a bit of an artist?

Why not help us by designing your very own climbing station!

We are offering the chance for one of our local Trafford School children to win the opportunity to design a wall and have it built ready to open to the public next year!

The winner will be picked in October. Closing date for entries is Friday 11<sup>th</sup> October

Use the space below to showcase your ideas and your design

Examples:

Send your designs to:

Trafford Leisure CIC Head Office, Altrincham Golf Course,  
Stockport Road, Altrincham  
WA15 7LP
